Triathlon in its purest form

Note: The Knysna Extreme Athletes Guide describes the route for the Knysna Extreme Triathlon. It is essential that all Athletes and their Supporters understand and are familiar with the Knysna Extreme Athletes Guide. Any last-minute changes will be brought to your attention at the compulsory race briefing. The organisers reserve the right to alter any element of the guide.

Welcome

2022 will be the 5th edition of the Knysna Extreme and once again, I would like to welcome all athletes to this incredible journey.

Each year, mother nature has gotten involved and thrown in a few challenges and 2021 was no different. Strong winds, cold temperatures and driving rain added to the toughness of the race but although athletes faced these added challenges, only 2 athletes failed to cross the line. This is a true indication that with the right training, support from your team and personal determination, anything is possible!

Always remember that this race isn't a race against anybody else, but rather a race against yourself and to see how far you are willing to push your limits. And the greatest recognition there is, is the recognition you give yourself.

2021 was also a special year as we welcomed Janich Rosenlund to the Extreme Hall of Fame. He was the 2nd person to complete all 5 Extreme Races in the series and completed his final race in Knysna. This year we are looking forward to adding more athletes to the Hall of Fame.

I wish you all the best and thank you for being part of the Knysna Extreme family. Extreme Triathlons are about sharing the experience which is something you will be sharing with your Supporter/s and other Athletes around you along the 229 km route.

I am looking forward to seeing you at the finish line.

Sean – Race Director

Extreme Triathlon Series

The Knysna Extreme Triathlon is part of the **Extreme Triathlon Series**. The Xtri Series is a group of extreme triathlon events around the world where athletes can push their boundaries and be part of an unforgettable experience. Each event is unique in itself, with varying terrain, distances, challenges and characteristics – a triathlon designed for triathletes, by triathletes.

Each finisher will receive a unique piece of the Extreme Puzzle Medal. Athletes who take on the challenge and complete all 5 races in the Extreme Triathlon Series within a 3-year period, will be crowned the Ultimate Extreme Athlete and will receive a trophy unique in itself for the ultimate extreme triathlete.

Pirene Xtreme Triathlon, 21 May 2022

3.8KM | 177KM | 40KM

Will start in Terradets Reservoir. Athletes will cross part of the Pyrenees and experience the unique flora and fauna of the region along the route. This particularly demanding triathlon includes an altitude climb of 4400 m, which will be covered by bike over a distance of 177 km and a 40 km trail run. The latter takes participants to the highest point of the route - the Prat De Bacies plateau, 2200 m above sea level. This triathlon puts body and mind to a demanding test, which is not only rewarded with the finish. Majestic mountains, unique landscapes and historic villages are part of the route that make the triathlon unforgettable.

Austria eXtreme Triathlon, 25 June 2022

3.8KM | 188KM | 44KM

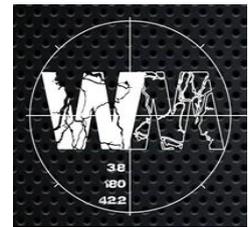

Starts in the south of Graz. A jump into the cold water of the Mur forms the starting signal. Even in midsummer, its temperatures do not exceed 14 °C. The 3.8 km swim is followed by 186 km of cycling and 44 km of running. But it is not the length of the course that is the real challenge. During the bike course, the participants are exposed to a difference in altitude of almost 3900 m. The subsequent run course has 1800 m of altitude. The subsequent run course has 1850 metres of altitude difference. This triathlon means pure nature and leads from lush green fields to the snow-covered mountains of the Dachstein masiv.

Stonebrixiaman, 2 July 2022

3.8KM | 180KM | 42KM

Starts at 4 a.m. with a 3.8 km swim. In Sulzano it's out of the water and onto the bike. The 180 km route leads towards Vello Toline, along the Val Camonica valley and finally ends in the municipality of Ponte di Legno. Now follows a 42 km run. The highest point of the entire route is at 2600 m above sea level. To complete such a demanding triathlon requires a lot of ambition and willpower - and perhaps also some positive insanity.

STONEBRIXIAMAN
XTREME TRIATHLON

Winterman Xtreme Triathlon, 16 October 2022

3.8KM | 180Km | 43KM

A fairytale landscape of the Czech Republic makes the course so special. The extraordinary start of the triathlon alone is something no participant will ever experience again in this form. Everything starts in absolute darkness in ice-cold water. More than 3000 metres of altitude are covered on the bike course, which explains the comparatively low average speed of 20 to 26 km/h. During the 43 km long run, the finish line can already be seen and gives the participants a proper motivation boost. The last part ends with a steep rocky climb up to the 1012 m high Jested, which rewards every finish runner with a breathtaking view, and drives the emotions up high.

Knysna Extreme Triathlon, 19 November 2022

5KM | 174KM | 50KM

The race starts with a 5 km swim in the Knysna Estuary lagoon. The following 174 km will be cycled through coastal, mountainous and semi-desert areas. The race continues with a 50 km run along Prince Alfred's Pass. It takes participants through mountain valleys, fields and forests of Karoo to Diepwalle Forest Station. This route not only tests your fitness level, but also your mental strength and fighting spirit.

IMPORTANT INFORMATION

EVENT OVERVIEW

It is important to keep in mind that the Knysna Extreme is a tough event and not one to be taken lightly. You will be challenged with tidal currents during the 5 km swim. The cycle leg will be moderate and humid on the coastal side of the mountain, but hot and dry as you go over the Outeniqua pass and through the Klein Karoo. The run is the hardest discipline, with an initial descent of 900m over 17km followed by 3 climbs on narrow, windy dirt roads. Ensure you have enough food and water to keep you and your Supporter well-nourished so that you can complete the Knysna Extreme Triathlon.

THE SUN AND TIDES

SUN RISE	05h13
SUN SET	19h14
HIGH TIDE	12h21
LOW TIDE	06h14

SUPPORTER ROLE

Your Supporter plays a vital role in the Knysna Extreme Triathlon as it is an unsupported race, and each Athlete is required to have a registered Supporter to follow them along the entire route. Athletes are welcome to have more than one supporter, but only their primary Supporter will be registered. The Supporter's role is to provide all nutritional and motivational support to the Athlete and to also clear away the Athlete's gear from the Transition areas. The Supporter will also be the central point of contact for the athlete during the race, in case they need to contact the race organisers, or the race organisers need to contact them.

LITTER

The Garden Route is a beautiful part of the country and we would like to keep it that way. If any Athlete or their Supporter is seen littering, the athlete will be disqualified immediately. All litter should be placed inside the Support car and disposed of appropriately at a later stage.

RACE DAY

TRANSITION | 03h30 – 04h30

Transition will be open between 03h30 – 04h30 and is situated on the SAN Parks Jetty.

Athletes will be required to check-in prior to entering the transition area.

Athletes will also receive their GPS Tracker which is to be carried with them for the duration of the event.

NOTE: Each Athlete and their Supporter is responsible for their own equipment. The organiser does not accept responsibility for lost or broken equipment.

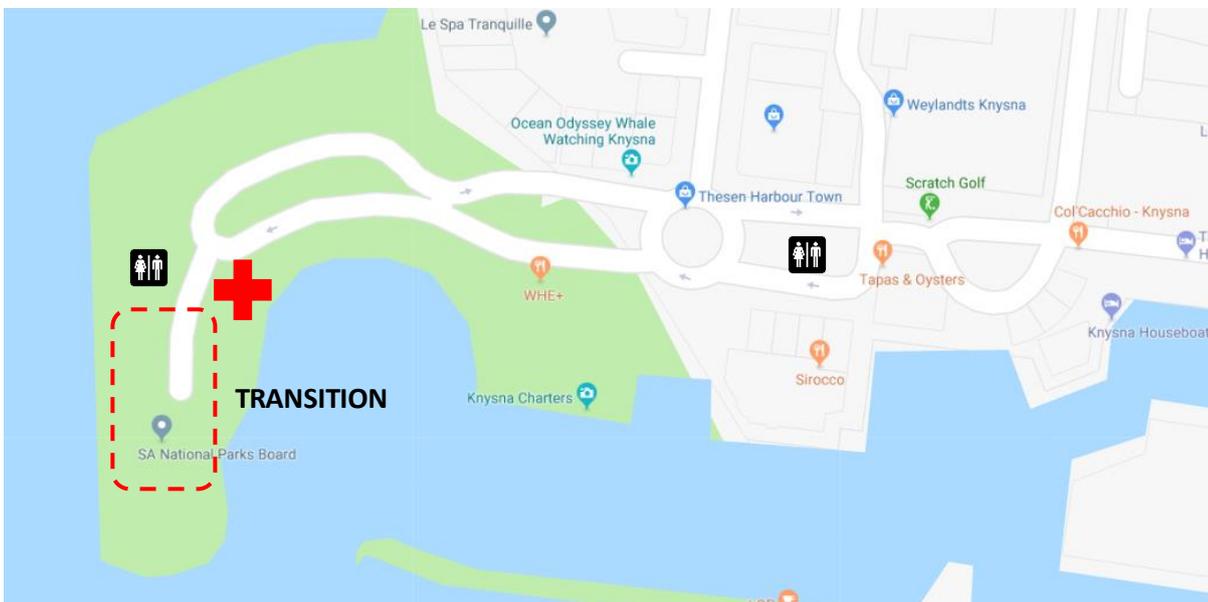

Image – Transition

PARKING

Parking is available around the Thesen Island Harbour area.

All Supporter cars are required to have the Knysna Extreme Triathlon supporter flag visible on their cars on Race Day.

SWIM CHECK IN | 04h30 – 04h50

Athletes are required to check-in prior to entering the swim start area.

Check-in for the swim will take place on the grass area next to Sirocco restaurant (200m from Transition).

The Swim start will be from the jetty in front of Sirocco restaurant.

Image – Swim check-in and Swim Start

SWIM START | 05h00

The 5th Knysna Extreme Triathlon will start at 05h00.

DETAILED COURSE

Athletes will battle tidal currents in the Knysna Estuary, then cycle along the N2 coastal road, passing through Sedgefield, Wilderness and George before tackling the Outeniqua Pass. Temperatures will rise once athletes descend into the Klein Karoo, as scenery changes dramatically from lush green coastal vegetation to semi-desert. The run leg along Prince Alfred's Pass pushes athletes to their limits before the finish at Diepwalle Forest Station. Faced with nearly 3,800m of ascent, athletes will be pushed to their physical and mental limits.

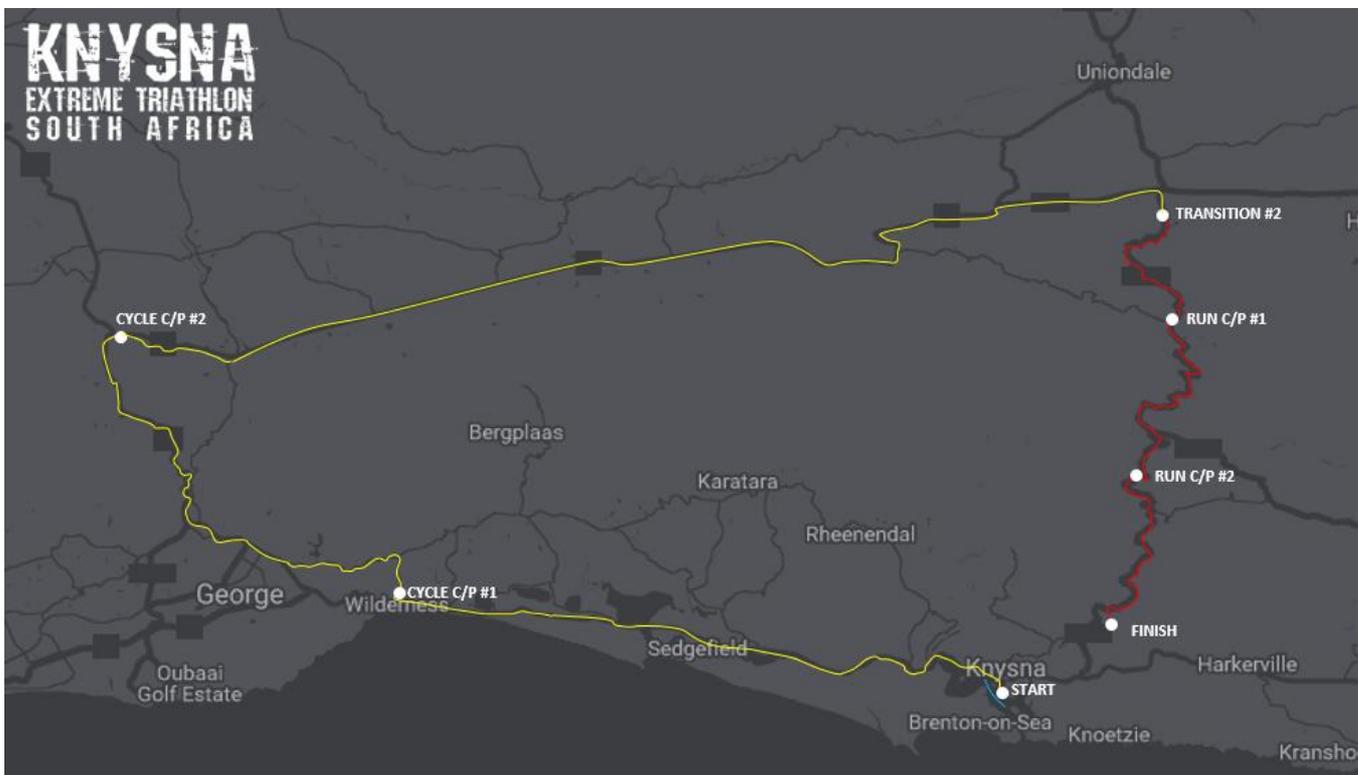

Total Distance

229 km (147 Miles)

Total elevation

+3800m (11,482 ft)

RACE PROFILE

SWIM – 5 km

SWIM CUT-OFF TIME – 07h30

Athletes will start the Knysna Extreme in front of Sirocco restaurant at 05h00. The water temperature will be announced during Race briefing but the November average is around 19.5 degrees. The swim route will be completed in a clockwise direction.

Athletes will exit the Knysna Estuary through the SAN Parks slipway located on the southern section of the SAN Parks Jetty.

⚠ IMPORTANT NOTE – There will be tidal currents. The initial leg of the swim is with the out-going current.

National Sea Rescue Institute (NSRI), SAN Parks and Knysna Life Saving club will be there to support athletes in the water where needed.

Swim Route may change depending on weather conditions on the day.

Image – Swim route

TRANSITION 1 (T1) - SWIM / CYCLE TRANSITION

Only registered Supporters are permitted into the transition area to assist their Athlete in preparing for the next section of the race.

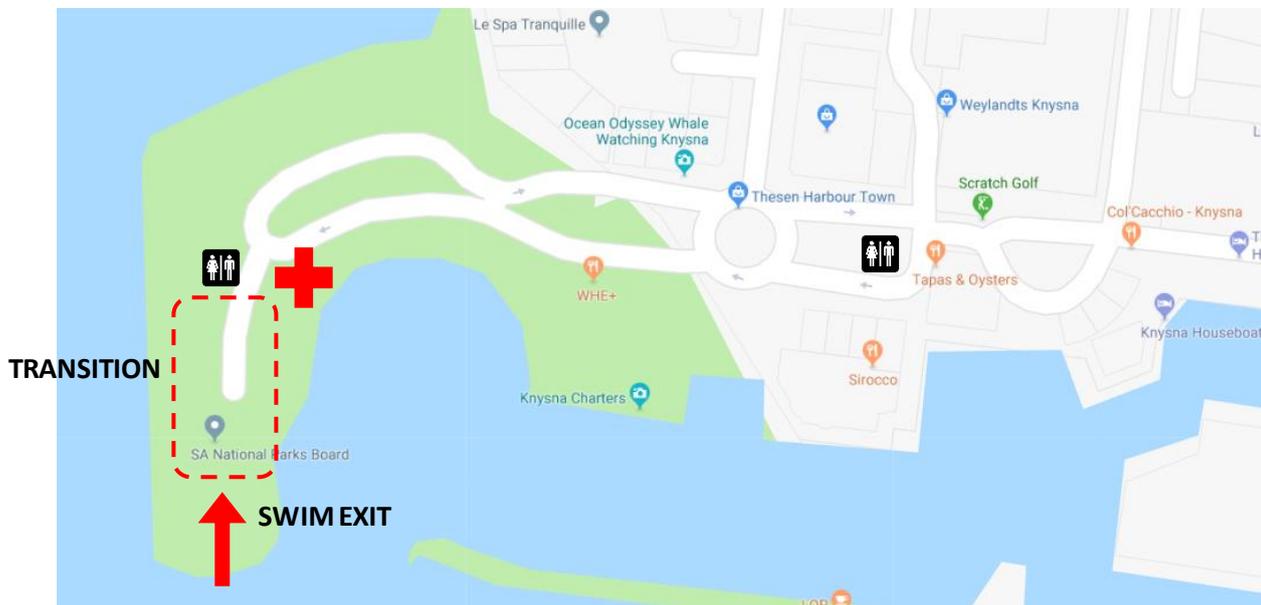

Image – Transition and Swim Exit

CONSIDERATIONS

- Please be aware of not obstructing or impeding other Athletes in the transition area.
- Supporters are responsible for collecting all of their athlete's belongings and clearing the transition area as soon as possible after the athlete has left.
- Athletes can only mount their bikes at the Mount Line outside the transition area.
- For team entries, please remember to transfer the GPS Tracker from the swim Athlete to the cycle Athlete before leaving Transition.

CYCLE – 174 km

CYCLE CUT-OFF TIME – 17h00

Athletes will cycle through the Garden Route along the N2 and finish at Avontuur covering a distance of 174 km with an elevation gain of over 2,460 m. A variation of humid conditions and dry heat will challenge athletes as they battle up long ascents, fast declines, mountain passes and perfectly straight Karoo roads. Total ascent is well over 2000 meters.

No cars are allowed up this road but Supporters are allowed to run / cycle with their Athlete from this point to the finish line. Support Vehicles are required to continue for a short distance on the main road and then turn left to Diepwalle Forest Station.

50.0 km - Finish Line for the KNYSNA EXTREME TRIATHLON

Supporters, please allow for time to park and make your way to the end to welcome your Athlete over the finish line. Supporters are allowed to park their car at the turn off and complete the last portion of the Knysna Extreme Triathlon with their Athlete.

FINISH LINE CUT-OFF TIME – 24h00

CUT-OFF TIMES

Cut-offs are necessary for the safety of Athletes and their Supporters. Athletes are not permitted to continue the race if they fail to meet a cut-off time. The cut-off times and rules outlined below will be enforced.

Water Exit – Transition 1 (T1)	07h30
Cycle Checkpoint #1 – 48 km Wilderness Train Station	NA
Cycle Checkpoint #2 – 91 km R62 / N9 Split	NA
Transition 2 (T2) – 174 km Avontuur	17h00
Run Checkpoint #1 – 17 km Die Plaaskind Padstal	19h00
Run Checkpoint #2 – 41 km Buffelsnek	22h45
Finish – Diepwalle Forest Station	24h00

At each checkpoint, Athletes are required to give the support crew their Names and Race Numbers.

If you withdraw from the race at any point in time, you are obligated to inform the Race Office immediately.

Please drop off your GPS tracker at the closest checkpoint or bring it to the next day's brunch.

THE DAY AFTER

KNYSNA EXTREME BRUNCH

The Knysna Extreme experience is only finished after the post-race brunch. A buffet brunch will be served at Dry Dock, Knysna Quays between 09h00 and 11h00 for all athletes and their supporters. This will also include a short ceremony where finishers will receive their Finisher T-Shirts.

Each Athlete and Supporter receives a brunch ticket as part of the entrance fee to the Knysna Extreme. Additional Supporter tickets may be purchased at Registration.

A Finisher photo will be taken at 11h00 outside the venue.

Dry Dock - Waterfront Shop 1, Waterfront Dr, Knysna Central, Knysna, 6570

LOST AND FOUND

Any “lost and found” items left in the transition zones will be at the brunch venue for collection.

POSITIVE ATTITUDE

CREW

Please be friendly to the Knysna Extreme crew. They are all volunteers who have worked hard to give you the experience of a lifetime. The only pay they get – and the only reward they are looking for – is your enthusiasm.

RACE OFFICIALS

Please be friendly to the race officials (race director, marshals and medics), who take care of your safety. Race officials will monitor the conditions of all Athletes and have been instructed to remove any Athlete from the race if they are unable to continue and pose a risk to their safety. Your safety is still our first priority.

LOCALS

Please be friendly to the locals. They are totally amazed that you came, and they think you're completely nuts to be doing this. The Garden Route locals have a reputation for coming out and will support you the best way they can in your effort to succeed.

PHOTOGRAPHERS

Our photographers will travel along the race route. They will take photos and video of you and other athletes, even when you are exhausted. Keep your eyes open for them and put a smile on that dial when you pass them.

SPONSORS

Please be friendly to our sponsors and partners. They help us keep your entry fee as low as possible.

SAFETY and EMERGENCIES

If you withdraw from the race at any point, it is mandatory to inform the Race Office as soon as possible. Supporters are required to have the Race Office and Frontier Medix numbers stored on their phones.

EMERGENCY NUMBERS

For all Emergencies and Athlete withdrawals, contact the Race Office.

RACE OFFICE – 064 721 3086

FRONTIER MEDIX - 083 242 0509

If you cannot get through, please send a text to either of the above numbers.

- Run
 - Athletes are required to have mandatory equipment available for the Run section of the race. These items will be checked at T2 by crew members before the Athlete is allowed to start the run. It is the responsibility of the Athlete's supporter to have these items checked prior to the start of the run. These items are:
 - Warm clothing
 - Rain jacket
 - Space blanket
 - Headlamp
 - Food
 - Water.

SUPPORTER RULES AND REQUIREMENTS

- Support given by Supporters during the race is limited to providing drinks, nutrition, clothing and tools. The supporter may not assist in mending or repairing any equipment for the athlete.
- All support must be provided from outside of the car, and never through a car window, even if the car is parked.
- Athletes may not sit in the car at any time during the race, even if the car is parked.
- At least one person in a support team must be able to communicate with the Knysna Extreme organisers in English.
- The registered supporter must wear the Knysna Extreme Support T-shirt when entering the transition zones to pick up their Athlete's equipment.
- The registered supporter must be available on their mobile phone throughout the race.

The support vehicle:

- Must have the Supporter's flag visible.
- Must follow South African traffic rules and posted speed limits.
- Must not drive directly behind or in front of any Knysna Extreme athlete, except when following their athlete on the cycle section before Check-Point 2.
- When parked, the vehicle must always be off of the road and not obstructing any traffic.
